THE WORD WORKS

Zines

Highly Prized for individuality and independent thought. The zine is often a one-off printed, bound modes of expression. I have taken multimedia techniques to the zine scene and include similar modes of expression to cross the boundaries of works of art with medium of expression.

Often Single edition Always storytelling

Artisan Leatherwork

IN a natural progression, I have loved books and the ability to write your own story and carry them with you. What started out as a desire to make my own, is now a passion to make for others.
